Powered by EasyPost

WARBY PARKER

Walmart

DOLLAR SHAVE CLUB

and many more

With EasyPost when you ship,  
you save, it's that simple.

### Save with EasyPost

**Wallet Carriers:** Instantly access trusted carriers, discounted rates, and one centralized billing experience—no contracts, no lengthy setups.

**Edge Carriers:** Access a curated set of premiere carriers EasyPost recommends for quality service and performance.

### Optimized rate shopping

Through EasyPost, rate shopping has never been easier. Identify the best cheapest labels that meet your delivery expectations with Luma's powerful UI tools, or build your own system with the SmartRate API. Our solutions are backed by 1B+ historic shipments to ensure you get the most accurate recommendations.

### Shop PC Postage

As one of three PC Postage providers in the world, EasyPost users can access exclusive USPS Merchant Discount Pricing for free and print USPS labels even when their servers are down.

Ship smarter. Save more.  
Scale with tech that delivers.

### Scalability

EasyPost's APIs are designed to scale up to meet the needs of the largest enterprise shippers during the peak season without delays, bottlenecks, or outages.

### Reliability

Ship packages around the clock with EasyPost's 99.99% uptime—the most reliable in the industry.

100+ carriers.

Including regional, same-day,  
last-mile, and more coverage options.

and more

### Seamless implementation

Our comprehensive client libraries support all of our API features across all major languages including C#, Go, Java, Node.js, PHP, Python, and Ruby.

### Support

Our technical support team is staffed with engineers who can efficiently respond to technical questions and boasts a customer satisfaction score (CSAT) above 90%.
